## NEWSLETTER

[www.holyfamilyparish.org.uk](http://www.holyfamilyparish.org.uk)

This Month of the Holy Souls is a particular time where we recall with an act of memory those who have gone before us from this life and have left their mark, directly or indirectly. It is good that we should have a season of the year for remembrance a time when we feel that that veil between time and eternity is thin, and we can sense that a greater and wider communion of saints to which we belong.

Today we especially 'remember' those who have given their lives through war in service of our country. They have left home and family often to foreign lands in the search of justice, freedom and peace; the effects of which we feel in our society today. The world could have been a very different place for us without their sacrifice, which cannot and should not be forgotten. The memories we recall this Remembrance Sunday should spur us forward in the search for true harmony and peace throughout the world. As we place our candle at the altar for our loved ones in November, we are letting them go off into what death really is – **our finding our way into the arms of God.**

*You are invited to present names of family & friends who died in the last 12 months in the envelopes provided to be placed in the Petitions Box provided at the Altar next week. Their names will be read out at our **special Remembrance Mass & candle lighting** for families of the living and the dead next **Saturday 15 Nov 10am**. We also pray for those for who have no-one to pray for them. Our priests will visit and bless the graves of loved ones **9 Nov at Braywick (2pm)\* & Cookham (3pm).***

**The "Feast of the Lateran Basilica"** is the Feast of the Dedication of St. John Lateran Basilica, celebrated annually on November 9. It commemorates the dedication of the Basilica of St. John Lateran, which is the official cathedral of Rome and the mother church of the world since the year 324. The feast is a reminder of Catholic unity, heritage, and the belief that the Church is a spiritual temple of God built on Christ. The feast connects the physical building to the spiritual reality of the Church, which is made up of believers, with Jesus as the foundation. It serves to remind Catholics of their connection to the Holy See and the universal Church, encouraging unity among parishes and believers worldwide.
